Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

The examiner left a voicemail message with Mr. Sobelman, who was unavailable. The examiner stated that figure 6A of Martizen et al. (US 2002/0191816) essentially teaches the limitations of claim 15, which had been indicated previously as containing allowable subject matter.

The examiner just became aware of this art as of today (7/8/2005).
